

# Benefit for Greg “Youngbuck” Bixenmann Cody’s Sports Bar in Corpus Christi TX Saturday, January 16, 2016

**\*Fun Run \* Plate Sale \* Raffles \* Auction\***

June 26, 2015 Greg was in a motorcycle accident that resulted in multiple shattered bones in his left foot, dislocated and tore open his right knee cap, shattered a bone in his right wrist and had to have a plate and several pins put in his left elbow. He has already undergone multiple surgeries and is waiting to see if another will be needed for his right wrist. Due to the extent and nature of his injuries, Greg has not been able to return to work and was let go from his job in September. His wife Sarah is a stay at home mom to their three children. Even though Greg has short term disability, it will run out and medical bills will continue to come in as determination is made for additional surgery on his wrist and the need for physical therapy.
